# LOGLINE

Angelena Bonet chronicles her inspirational journey of turning tragic into magic by using her voice to unite women worldwide and honour a sacred promise.

# SYNOPSIS

Angelena Bonet is a warrior in the fight to end violence against women. With a fierce commitment to helping victims heal, and take back their life, she brings to bear a multitude of talents, wisdom and personal experience. Violence and tragedy are not strangers to Angelena. In 2007, the love of her life and her fiancé, suddenly and unexpectedly passed away. In 2012, Angelena was the victim of a violent crime in her homeland. Only from the depths of her despair and darkest days has she truly found her voice and the courage to share about her experiences and to speak out about issues generally swept under the carpet. Angelena's biopic documentary which she produced in its entirety, including the soundtrack she co-wrote with her late fiancé. From Australian supermodel to documentary filmmaker, singer-songwriter and humanitarian, her message is of peace, love and unity.

# DIRECTOR, Angelena Bonet

Multi-award winning documentary filmmaker, Angelena Bonet, has also produced a documentary short film Change The World, a feature film tetralogy and her soundtrack and music videos in their entirety which have collectively won over 300 international film festival awards. She founded Crystal Heart Productions in 2014 after suffering two life changing tragedies in the hopes to make a positive difference in others' lives. Bonet interviews inspirational women all around the world and from all walks of life for her online talk show Heart Of The Matter. She has won numerous 'Best Inspirational Film', 'Best Director' and 'Best Original Soundtrack' awards along with the prestigious 'Humanitarian Award' at the Jane Austen Film Festival in the U.K. From Australian supermodel to multi-award winning documentary filmmaker, singer-songwriter and humanitarian her message is one of peace, love and unity.

# INSPIRING TRUE STORY

Angelena Bonet is an Australian multi-award winning documentary filmmaker, singer-songwriter and humanitarian. The recipient of over 300 film festival awards worldwide, including the 'Humanitarian', the 'Human Spirit', 'Best Director of the Year' awards as well as numerous 'Best Inspirational Film' and 'Best Original Soundtrack' awards, Bonet is a warrior in the fight to end violence against women. With a fierce commitment to helping victims heal, and take back their life, she brings to bear a multitude of talents, wisdom and personal experience. Violence and tragedy are not strangers to Angelena. In 2007, the love of her life and her fiancé, suddenly and unexpectedly passed away. In 2012, Angelena was the victim of a violent crime in her homeland. Only from the depths of her despair and darkest days has she truly found her voice and the courage to share about her experiences and to speak out about issues generally swept under the carpet by society. Angelena has multiple outlets for her commitment to supporting non-violence and health recovery. She sends a powerful message of self-love and healing and is proud to share her journey. From international model to multi-award winning documentary filmmaker, singer-songwriter and global ambassador for women and girls, Angelena hopes that by sharing her personal story it will help others to heal also.

# CHANGE THE WORLD

Original Motion Picture Soundtrack

ANGELENA

## MULTI-AWARD WINNING SOUNDTRACK

Victor Hugo, author of *Les Miserables*, said that "*music expresses that which cannot be put into words and that which cannot remain silent*". And so it is with Angelena's debut album and soundtrack *Change The World* which is now available on iTunes and Amazon. The album is a tribute to all who have loved and lost. While traveling the world as an international supermodel, TV host and actress, Angelena was also writing, recording, performing live gigs and giving guest radio spots in Sydney, the U.S., and Toronto. While residing in Sydney's edgy Kings Cross district with her sweetheart, Erick, the bohemian, rock n roll lifestyle fueled the energy for the album and her unique sound. As Erick was writing and recording soundtracks for Marvel Comics, he was also writing and recording instrumental music for Angelena. In August 2007, just as they were about to make the official announcement of their recent engagement he suddenly and unexpectedly suffered a major heart attack. Angelena performed CPR but Erick went into a coma and was in the Intensive Care Unit for a week. Tragically, his life support was turned off and she lived her worst nightmare. During her time of deepest grief, at the height of her modeling career, she moved away from the city and away from the spotlight. There she channeled her pain and emotions into evolving the music her love had created for her and wrote the first song - *Tragic Fairytale*. As each new song was crafted from the gift of Erick's music, she felt her heart slowly healing. Even though she often felt she couldn't go on, the music and his love inspired her to keep going. She chose to focus on being grateful for the gift of life. Angelena kept the promise she made to Erick at his bedside - that someday, somehow, she would finish their special project and share it with her fans. *Change The World* gives us that which could not remain silent. It saved Angelena's life and essentially, Erick's as well, as he continues to live on in their music.
